

**MFM Bulletin: 025-2024**

**Date:** October 8, 2024

**Subject:** Hurricane Milton

As many of you are aware, the state of Florida is currently bracing for hurricane Milton to hit west-central FL sometime tomorrow.

Because the National Hurricane Service has predicted damaging winds, life-threatening storm surges, and heavy rainfall to extend well outside the forecast cone; **MFM is temporarily suspending all closings and purchasing of loans in the state of Florida until further notice.**

We will continue to provide updates and additional information as we receive it. Once specific areas impacted by hurricane Milton have been determined and declared by FEMA, an inspection will be required per MFM's Disaster Policy.

Please contact the MFM Underwriting Dept. ([underwriting@memberfirstmortgage.com](mailto:underwriting@memberfirstmortgage.com)) if you have any questions or concerns.
